of 19 March 1976

concerning the supply of skimmed-milk powder to the Internationl Committee of the Red Cross as emergency food aid for Angola

(Only the French and Dutch texts are authentic)

(76/349/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 559/76 (2), and in particular Articles 7 (5) and 28 thereof,

Whereas Council Regulation (EEC) No 1827/74 of 11 July 1974 on the supply of skimmed-milk powder as food aid to certain developing countries and international organizations (3), provides *inter alia* for 3 000 metric tons of skimmed-milk powder to be made available to the International Committee of the Red Cross (ICRC); whereas the ICRC has requested the supply of 30 metric tons of skimmed-milk powder for Angola;

Whereas Article 5 of Council Regulation (EEC) No 1826/74 of 11 July 1974 laying down general rules for the supply of skimmed-milk powder as food aid to certain developing countries and international organizations (4), stipulates that in the case of emergency actions the forwarding costs may be determined by a procedure of mutual agreement;

Whereas, in view of the need for quick aid it is apparent that mutual agreement must be sought in respect of this delivery for the forwarding of skimmed-milk powder by air to the airport of destination;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS DECISION:
