COMMISSION

COMMISSION DECISION

of 9 October 1975

authorizing the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands not to apply Community treatment to girls' cotton skirts falling within subheading ex 61.02 B, originating in Taiwan and in free circulation in the other Member States

(76/38/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 3 October 1975 by the Governments of the Benelux countries to the Commission by telex from the Office of the Permament Representative of the Kingdom of the Netherlands to the European Communities, for authorization not to apply Community treatment to girls' cotton skirts falling within subheading ex 61.02 B of the Common Customs Tariff, originating in Taiwan and in free circulation in the other Member States,

Whereas for the products in question, the Benelux countries, in accordance with the Council Decision of 10 July 1975 [1], have opened in respect of Taiwan an annual quota of 32 metric tons;

Whereas, according to information supplied by the Governments of the Benelux countries, there are serious economic difficulties in the ready-made clothing sector, resulting in the closure of a number of firms, a constant reduction of the number of workers employed in that sector and a progressive loss of control over the domestic market;

Whereas the indirect imports in question, which would be in addition to those already effected, would be likely to aggravate these economic difficulties;

Whereas authorization should accordingly be given for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [2], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:

Article 1

The Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands are authorized not to apply Community treatment to imports of girls' cotton skirts falling within subheading ex 61.02 B of the Common Customs Tariff, where they originate in Taiwan and in respect of which applications for import licences were lodged after 23 September 1975.

Article 2

This Decision shall apply until new opportunities arise in the Benelux countries for the importation of the products in question from Taiwan and in any case not later than 31 December 1975.

Article 3

This Decision is addressed to the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands.

Done at Brussels, 9 October 1975.
