COMMISSION DECISION

of 18 March 1976

(76/441/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 12 March 1976 by the French Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to radio-receivers, whether or not combined with a sound recorder or reproducer, falling within subheading 85.15 A III of the Common Customs Tariff, originating in Taiwan and in free circulation in the Benelux countries, in the Federal Republic of Germany and in the United Kingdom,

Whereas it appears from the application of Article 115 that France is not at present opening any new import possibilities for the product concerned from Taiwan ;

Whereas differences in the measures of commercial policy taken in connection with these products by France and by the other Member States as regards Taiwan are giving rise to deflection of trade ;

Whereas this deflection of trade is preventing the execution of the abovementioned measures of commercial policy currently being taken by France as regards Taiwan ;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas, in order to ensure that the implementation of the abovementioned commercial policy measures is not obstructed, authorization should be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1

85.15 A III	Radio-receivers, whether or not combined with a sound recorder or reproducer
