(76/608/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 8 June 1976 by the French Government to the Commission by telex from the Office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to garments falling within heading No 61.01, 61.02 or 61.03 of the Common Customs Tariff, originating in Hungary and in free circulation in the Netherlands,

Whereas for the products in question, France, in accordance with the Council Decision of 18 December 1975 [1], has opened, in respect of Hungary, an annual quota of FF 7 720 000, which has already been used up to a large extent ;

Whereas according to information supplied by the French Government, the French clothing industry is in an extremely difficult situation, involving a decrease in production and substantial structural unemployment ;

Whereas the indirect imports of the products in question, given those already effected in 1976, would be likely to aggravate these economic difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the Netherlands and the other Member States ;

Whereas authorization should accordingly be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [2], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 2

This Decision shall apply until 31 December 1976.

Article 3

This Decision is addressed to the French Republic.
