(76/694/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 13 July 1976 by the French Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to radio receivers, whether or not combined with a sound recorder or reproducer, falling within subheading 85.15 A III of the Common Customs Tariff and in free circulation in the other Member States,

Whereas according to this application under Article 115 the importation into France of the products in question originating in Japan is currently subject to a six-monthly quota of 195 000 sets, which is being allocated ;

Whereas differences in the commercial policy measures applied in connection with these products by France and by the other Member States as regards Japan are giving rise to deflection of trade ;

Whereas this deflection of trade is obstructing the execution of the above commercial policy measures currently being applied by France as regards Japan ;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should be given, for a limited period, for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof ;

Whereas uniform arrangements for imports of the products in question could be adopted under a common commercial policy *vis-à-vis* Japan ; whereas these measures should apply only until such arrangements are introduced,

HAS ADOPTED THIS DECISION :

Article 1

The French Republic is authorized not to apply Community treatment to imports of the following products :

CCT heading No	Description of goods
85.15 A III	Radio receivers, whether or not combined with a sound recorder or reproducer

where they originate in Japan and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 30 June 1976.

Article 2

This Decision shall apply only until uniform import arrangements are introduced under a common commercial policy *vis-à-vis* Japan or until new opportunities arise for the importation of the products in question from Japan and in any case not later than 31 December 1976.

Article 3

This Decision is addressed to the French Republic.
