of 5 October 1976

specifying the extent to which applications for import licences lodged between 20 and 24 September 1976 for young bovine animals of highland breeds for fattening can be accepted

(76/809/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 568/76 (2), and in particular Article 21 (2) thereof,

Whereas Article 2 (2) of Commission Regulation (EEC) No 883/76 of 14 April 1976 on the importation while protective measures are in force of an additional number of young bovine animals of highland breeds for fattening (3), as amended by Regulation (EEC) No 1615/76 (4), provides that the Commission shall decide, subject to an overall monthly limit of 10 000 head, the extent to which applications for import licences can be accepted;

Whereas the applications submitted during the period 20 to 24 September 1976 fell below the prescribed limit; whereas those applications should therefore be accepted in full,
