# COUNCIL DECISION

## of 14 June 1977

## on the import arrangements to be applied in respect of the Socialist Republic of Vietnam

(77/413/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Community regulations on trade lay down two different sets of import arrangements for North Vietnam and South Vietnam respectively;

Whereas those two States are now united in the Socialist Republic of Vietnam and appropriate adjustments should therefore be made to those Community regulations on trade so that one and the same set of import arrangements will henceforth be applied to the whole of Vietnamese territory;

Whereas to that end the import arrangements applied in respect of what was formerly North Vietnam should be extended to the unified Vietnam and this should be done by amending as appropriate the list of third countries covered by Council Regulation (EEC) No 109/70 of 19 December 1969 establishing common rules for imports from State-trading countries (1), Council Regulation (EEC) No 1439/74 of 4 June 1974 on common rules for imports (2) and Council Decision 75/210/EEC of 27 March 1975 on unilateral import arrangements in respect of State-trading countries (3);

Whereas, moreover, in order to promote the development of imports of Vietnamese products into the Community, and in addition to the imports pursuant to Article 2 of Decision 75/210/EEC, import quotas should be opened in respect of the Socialist Republic of Vietnam in certain areas of the Community for products which have not been liberalized and which are likely to be of interest to the said third country; whereas these import quotas should therefore be included in the Annexes to Council Decision 76/971/EEC of 13 December 1976 amending for 1977 the import quotas laid down by Decision 75/210/EEC (4),

HAS ADOPTED THIS DECISION:
