COMMISSION DECISION

of 23 September 1977

amending Decision 77/571/EEC authorizing Ireland to store outside its territory beef held by its intervention agency

(Only the English text is authentic)

(77/625/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [1], as last amended by Regulation (EEC) No 425/77 [2],

Having regard to Council Regulation (EEC) No 1055/77 of 17 May 1977 on the storage and movement of products bought in by an intervention agency [3], and in particular Article 4 thereof,

Whereas Commission Decision 77/571/EEC of 24 August 1977 [4] authorized Ireland to place in storage between 1 August and 30 September 1977 in the United Kingdom, in the Benelux countries and in Northern France 7 500 tonnes of beef held by its intervention agency; whereas Ireland has applied to place in storage in these same countries a further quantity of 5 750 tonnes of this meat until 30 September 1977; whereas, however, it appears that the storage of this further quantity may only be authorized in Belgium and in Northern France;

Whereas, in view of the storage situation in Ireland and storage facilities available in Belgium and Northern France, the above Decision should be amended;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS DECISION:
