COMMISSION DECISION

of 6 April 1977

authorizing the French Republic not to apply Community treatment to tableware and other articles of a kind commonly used for domestic or toilet purposes, of porcelain or china (including biscuit porcelain and parian) or of other kinds of pottery other than common pottery or stoneware falling within heading No 69.11 and subheadings 69.12 C and D of the Common Customs Tariff, originating in the People's Republic of China and in free circulation in the other Member States

(77/763/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 31 March 1977 by the French Government to the European Communities, for authorization not to apply Community treatment to tableware and other articles of a kind commonly used for domestic or toilet purposes, of porcelain or china (including biscuit porcelain and parian) or of other kinds of pottery or stoneware falling within heading No 69.11 and subheadings 69.12 C and D of the Common Customs Tariff, originating in the People's Republic of China and in free circulation in the other Member States,

Whereas for the products in question France, in accordance with the Council Decision of 13 December 1976 [1] on import arrangements in respect of State-trading countries has opened for 1977, in respect of the People's Republic of China, an annual quota of FF 605 000, which is being in its entirety allocated among the importers who have lodged applications;

Whereas, according to information supplied by the French Government, the domestic industry manufacturing the products in question is facing serious economic difficulties resulting in a drop in production and consequently the closure of certain firms;

Whereas the indirect imports in question, which would be in addition to those already effected, would be likely to obstruct the commercial policy measures adopted by France because of the abovementioned difficulties in the sector concerned;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [2], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:
