COMMISSION DECISION

of 13 January 1978

authorizing the Italian Republic to permit temporarily the marketing of seed not complying with requirements of Council Directive 66/402/EEC

(Only the Italian text is authentic)

(78/158/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 66/402/EEC of 14 June 1966 on the marketing of cereal seed (1), as last amended by Directive 75/444/EEC (2), and in particular Article 17 thereof,

Having regard to the request made by the Italian Republic,

Whereas in the Italian Republic the production of rice seed complying with the requirements of the said Directive has been insufficient in 1977 and therefore will not be adequate to meet that country's needs;

Whereas it is not possible sufficiently to cover this demand with seed from other Member States or from third countries, meeting all the requirements laid down in the said Directive;

Whereas the Italian Republic should therefore be authorized to permit, for a period expiring on 30 June 1978, the marketing of seed of the abovementioned species of a category subject to less stringent requirements;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Seed and Propagating Material for Agriculture, Horticulture and Forestry,

HAS ADOPTED THIS DECISION:

(a) the germination capacity is at least 75 % of pure seed;

(b) the official label shall be marked as follows:

— 'minimum germination capacity 75 %',
