(78/2/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 13 July 1977 by the French Government to the Commission by telex from the Office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to radio receivers, whether or not combined with a sound recorder or reproducer, falling within subheading 85.15 A III of the Common Customs Tariff originating in the Republic of Korea and in free circulation in the other Member States,

Whereas according to this application the importation into France of the products in question originating in the Republic of Korea is subject to an annual quota of 120 000 items, all of which has been allocated among importers who have lodged applications ;

Whereas according to information supplied by the French Government there are serious economic difficulties in the branch of industry concerned resulting especially in a progressive decline of production ;

Whereas this deflection of trade is preventing the execution of the above commercial policy measures currently being applied by France as regards the Republic of Korea and would be likely to aggravate these economic difficulties ;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas in order to ensure that the enforcement of the commercial policy measures is not hindered, authorization should be given for a limited period ; for the application of protective measures, under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 ([1]), and in particular Article 1 thereof ;

Whereas, however, the applications for licences which gave rise to the application under Article 115 should not be covered by this authorization in view of the small amounts involved,

HAS ADOPTED THIS DECISION :

Article 2

This Decision shall apply until new opportunities arise in the French Republic for the importation of the products in question from the Republic of Korea and in any case not later than 31 December 1977.

Article 3

This Decision is addressed to the French Republic.
