(78/224/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the request made by the French Republic to the Commission on 23 January 1978, by telex from the office of its Permanent Representative to the European Communities, for authorization to apply protective measures to imports of live sheep, falling within subheading 01.04 A I b) of the Common Customs Tariff, and of mutton and lamb, falling within subheading 02.01 A ex IV thereof, originating in third countries and in free circulation in the other Member States,

Whereas differences between the commercial policy concerning these products applied by France and that applied by the other Member States as regards third countries are causing deflection of trade;

Whereas this deflection of trade is preventing the commercial policy adopted by France as regards third countries from being implemented;

Whereas methods for obtaining the necessary cooperation from the other Member States cannot be introduced at the present time;

Whereas in these circumstances protective measures under the first paragraph of Article 115 should be authorized for a limited period,

HAS ADOPTED THIS DECISION:
