COMMISSION DECISION

of 13 March 1978

authorizing the French Republic not to apply Community treatment to tents, falling within heading No 62.04 of the Common Customs Tariff, originating in South Korea and in free circulation in the other Member States

(78/380/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 8 March 1978 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to tents, falling within heading No 62.04 of the Common Customs Tariff, originating in South Korea and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in South Korea is covered by an Agreement negotiated between the Community and that country ;

Whereas under that Agreement South Korea has undertaken to take all necessary steps to limit its exports of the products in question to the Community to certain ceilings allocated among the Member States ;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets ; whereas for that reason disparities persist between the import conditions in the various Member States ; whereas uniformity can be achieved only progressively ;

Whereas although the imports which gave rise to the application submitted would appear to be an isolated operation, they are nevertheless likely, owing to the appreciable amount of the imports, to prevent the execution of the measures of the Agreement ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1
