of 17 April 1978

authorizing the French Republic not to apply Community treatment to tableware and other articles of a kind commonly used for domestic and toilet purposes, of porcelain or china or of other kinds of pottery, falling within heading No 69.11 or subheading 69.12 C or D of the Common Customs Tariff, originating in the People's Republic of China and in free circulation in the other Member States

(78/409/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 10 April 1978 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to tableware and other articles of a kind commonly used for domestic and toilet purposes, of porcelain or china or of other kinds of pottery, falling within heading No 69.11 or subheading 69.12 C or D of the Common Customs Tariff, originating in the People's Republic of China and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in the People's Republic of China is, in accordance with the Council Decision of 20 December 1977 [1], subject to a quota, which is being distributed in full ;

Whereas disparities in the commercial policy measures applied in connection with these products by the Member States are giving rise to deflection of trade, thus preventing the execution of those commercial policy measures, which are in force because of the difficult economic situation in the sector concerned ;

Whereas according to the application submitted there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment and a progressive decline in its market share ;

Whereas these economic difficulties are caused largely by unequal conditions of competition, whereby exports can be effected at prices appreciably lower than those of the Community products in question ;

Whereas further indirect imports, in addition to those already effected, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [2] and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :
