of 18 May 1978

authorizing Ireland not to apply Community treatment to women's girls' and infants' blouses and shirt-blouses, knitted or crocheted (not elastic or rubberized), or woven, of wool, cotton or man-made textile fibres, falling within subheading ex 60.05 A or ex 61.02 B of the Common Customs Tariff (NIMEXE codes 60.05-22, 23, 24, 25 ; 61.02-78, 82, 84), originating in the Philippines and in free circulation in the other Member States

(78/491/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 9 May 1978 by the Irish Government to the Commission of the European Communities, for authorization not to apply Community treatment to women's girls' and infants' blouses and shirt-blouses, knitted or crocheted (not elastic or rubberized), or woven, of wool, cotton or man-made textile fibres, falling within subheading ex 60.05 A or ex 61.02 B of the Common Customs Tariff (NIMEXE codes 60.05-22, 23, 24, 25 ; 61.02-78, 82, 84), originating in the Philippines and in free circulation in the other Member States ;

Whereas the importation into the Community of the products in question originating in the Philippines is covered by an Agreement negotiated between the Community and that country ;

Whereas under that Agreement the Philippines have undertaken to take all necessary steps to limit their exports of the products in question to the Community to certain ceilings allocated among the Member States ;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets ; whereas for that reason disparities persist between the import conditions in the various Member States ; whereas uniformity can be achieved only progressively ;

Whereas further indirect imports, in addition to those already effected, would be likely aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [1] and in particular Article 1 thereof ;

Whereas, however, the request for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION :
