(78/497/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 May 1978 by the Italian Government to the Commission of the European Communities, for authorization not to apply Community treatment to synthetic textile fibres, acrylic, falling within subheading ex 56.04 A of the Common Customs Tariff (NIMEXE code 56.04-15), originating in Romania and in free circulation in the other Member States,

Whereas in Italy the importation of the products in question originating in Romania is, in accordance with the Council Decision of 20 December 1977 [1], subject to an annual quota, which has already been wholly taken up ;

Whereas according to the application submitted there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment and a progressive decline in its market share ;

Whereas although the imports which gave rise to the application submitted would appear to be an isolated operation, they are nevertheless likely, owing to the appreciable amount of the imports, to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [2] and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1
