COMMISSION DECISION

of 6 June 1978

approving the plans for the accelerated eradication of brucellosis and tuberculosis put forward by the French Republic

(Only the French text is authentic)

(78/539/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 77/391/EEC of 17 May 1977 introducing Community measures for the eradication of brucellosis, tuberculosis and leucosis in cattle [1], and in particular Article 9 (2) thereof,

Whereas by letter dated 28 March 1978 France communicated to the Commission plans for the accelerated eradication of brucellosis and for the accelerated eradication of tuberculosis ;

Whereas after examination these plans were found to comply with the abovementioned Directive ; whereas, consequently, the conditions for financial participation by the Community have been met ;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee ; whereas the Fund Committee has been consulted,

HAS ADOPTED THIS DECISION :

Article 1

The plans for the accelerated eradication of brucellosis and tuberculosis put forward by the French Republic are hereby approved.

Article 2

The French Republic shall put into effect by 1 July 1978 the laws, regulations and administrative provisions necessary to implement the plans referred to in Article 1.

Article 3

This Decision is addressed to the French Republic.

Done at Brussels, 6 June 1978.

For the Commission

Finn GUNDELACH

Vice-President
