COUNCIL

COUNCIL DECISION

of 12 June 1978

on import arrangements for certain textile products originating in State-trading countries

(78/545/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas in view of the amendments introduced by the Community to commercial policy for textiles from 1978 it is necessary to adapt the unilateral import arrangements applicable to State-trading countries to the requirements of that policy;

Whereas Council Decision 77/809/EEC of 20 December 1977 amending, for 1978, the import quotas laid down by Decision 75/210/EEC on unilateral import arrangements in respect of State-trading countries [1] established provisional arrangements for imports into the Community of certain particularly sensitive textile products, and stipulated that those arrangements should be replaced by definitive import arrangements;

Whereas, in so far as the textile products listed in the Annex hereto are also covered by quotas opened by virtue of Decision 77/809/EEC, the quantities authorized under this Decision should be deducted from the corresponding quotas opended by Decision 77/809/EEC;

Whereas it is necessary to provide that products introduced into the customs territory of the Community under the inward processing rules or under other temporary admission rules and re-exported therefrom in the same state or after processing are not to be set off against the quantitative quotas introduced by this Decision;

Whereas imports of the textile products in question effected under the outward processing rules should not be set off against the quotas fixed by this Decision where specific quotas for such imports exist by virtue of other rules applicable in the Community;

Whereas these definitive import arrangements must be administered in accordance with Council Decision 75/210/EEC of 27 March 1975 on unilateral import arrangements in respect of State-trading countries [2], except as regards Articles 2 and 6 (2) and (3) of that Decision,

---

[1] OJ No L 360, 31. 12. 1977, p. 1.

[2] OJ No L 99, 21. 4. 1975, p. 7.

HAS ADOPTED THIS DECISION:

Article 1

1. Imports into the Community of the textile products listed in the Annex, originating in the State-trading countries listed in that Annex, shall be subject to quantitative restrictions.

2. Entry into free circulation of the products referred to in paragraph 1 shall be subject to the presentation of an import authorization or equivalent document issued by the competent authorities of the Member States.

Article 2

1. For the period 1 January to 31 December 1978, Member States shall limit the imports of products listed in the Annex to the levels indicated therein.

2. Import authorizations or equivalent documents issued during the period between 1 January 1978 and the date of entry into force of this Decision shall be valid for the purposes of Article 1 (2).

3. The amendment of the import quotas provided for in paragraph 1 shall be subject to Decision 75/210/EEC, with the exception of Articles 2 and 6 (2) and (3) thereof.

Articles 3

1. Products which are introduced into the customs territory of the Community under inward processing rules or under other temporary admission rules and declared to be intended for re-export therefrom in the same state or after processing shall not be set off against the quotas.

2. Imports of the textile products listed in the Annex effected under the outward processing rules shall not be set off against the quotas where specific quotas for such imports exist by virtue of other rules applicable in the Community.

Article 4

Where an import quota for a certain Member State fixed by Decision 77/809/EEC already covers a product listed in the Annex hereto, the imports authorized in accordance with Article 1 shall be set off both against the quota established by virtue of Article 2 (1) and against the quota allocated to the Member State concerned and the product concerned by Decision 77/809/EEC.

In cases of double coverage of products mentioned in the first subparagraph, the quotas listed in the Annex hereto can only be taken up when room available exists within the quotas covering the same product in respect of the same Member State and the same third country laid down in Decision 77/809/EEC.

Article 5

Articles 1 and 3 of Decision 77/809/EEC are hereby repealed.

Article 6

This Decision is addressed to the Member States.

Done at Luxembourg, 12 June 1978.

For the Council

The President

K. OLESEN
