(78/564/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 6 June 1978 by the Governments of the Benelux countries to the Commission of the European Communities, for authorization not to apply Community treatment to men's and boys' industrial and occupational clothing ; women's, girls' and infants' woven aprons, smock-overalls and other industrial clothing (whether or not also suitable for domestic use) of wool, of cotton or of man-made textile fibres, falling within heading No ex 61.01 or subheading ex 61.02 B (NIMEXE codes 61.01-13 ; 15 ; 17 ; 19 — 61.02-12 ; 14) of the Common Customs Tariff, originating in Hong Kong and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Hong Kong is covered by an Agreement negotiated between the Community and that country ;

Whereas under that Agreement Hong Kong has undertaken to take all necessary steps to limit its exports of the products in question to the Community to certain ceilings allocated among the Member States ;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets ; whereas for that reason disparities persist between the import conditions in the various Member States ; whereas unfiformity can only be achieved progressively ;

Whereas according to the application submitted there are serious difficulties in the industrial sector concerned involving a considerable drop in production and employment ;

Whereas further indirect imports, in addition to those already effected, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :
