of 28 June 1978

(78/578/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Commuity, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 20 June 1978 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to articles of apparel and under garments for men and women excluding woven shirt-blouses, falling within Chapter ex 61 of the Common Customs Tariff, originating in Poland and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in Poland is, in accordance with the Council Decision of 20 December 1977 [1], subject to an annual quota which has already been wholly taken up ;

Whereas disparities in the commercial policy measures applied in connection with these products by the Member States are giving rise to deflection of trade, thus preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned ;

Whereas according to the application submitted there are serious difficulties in the industrial sector concerned involving a considerable drop in production and employment ;

Whereas further indirect imports, in addition to those already effected, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [2], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in Poland and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 11 June 1978 :

Article 2

This Decision shall apply until new opportunities arise for the importation of these products from Poland or until 31 December 1978, whichever is the earlier.
