(78/579/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 June 1978 by the Italian Government to the Commission of the European Communities, for authorization not to apply Community treatment to essential oils, not terpeneless ; orange oil, falling within subheading 33.01 ex A (NIMEXE code 33.01-12) of the Common Customs Tariff, originating in Brazil and in free circulation in the other Member States,

Whereas in Italy the importation of the products in question originating in Brazil is prohibited ;

Whereas disparities in the commercial policy measures applied in connection with these products by the Member States are giving rise to deflection of trade, thus preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the interested industry ;

Whereas according to information supplied by the Italian Government this industry, which is characteristic of certain economically underprivileged areas of southern Italy, is facing a serious crisis which is both structural and economic ;

Whereas although the imports which gave rise to the application submitted would appear to be an isolated operation, they are nevertheless likely, owing to the appreciable amount of the imports, to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1
