COUNCIL DECISION

of 10 October 1978

amending the quotas for the importation into the Federal Republic of Germany of textile products originating in Hungary and Poland

(78/825/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the Federal Republic of Germany, in accordance with Article 3 of Council Decision 75/210/EEC of 27 March 1975 on unilateral import arrangements in respect of State-trading countries (1), has requested that the import arrangements with regard to Hungary and Poland should be amended, as they result from Council Decision 77/809/EEC of 20 December 1977, so as to amend for 1978 the import quotas fixed by Decision 75/210/EEC (2) and from Council Decision 78/545/EEC of 12 June 1978 on import arrangements for certain textile products originating in State-trading countries (3);

Whereas the request made by the Federal Republic of Germany poses no particular economic problems and the measures desired by that Member State should therefore be adopted;

Whereas on 17 and 18 October 1977 the Council authorized negotiation of a textile agreement with Hungary and Poland; whereas consequently in accordance with Article 7 of Decision 75/210/EEC Member States may no longer implement measures amending their import arrangements applying to Hungary and Poland as far as the textiles sector is concerned without a prior decision being adopted by the Council in accordance with Article 113 of the Treaty,
