COMMISSION DECISION

of 26 September 1978

authorizing the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands not to apply Community treatment to bed linen, table linen, toilet and kitchen linen falling within subheading ex 62.02 B of the Common Customs Tariff (NIMEXE code 62.02-73) originating in the People's Republic of China and in free circulation in the other Member States

(78/844/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 14 September 1978 by the Benelux Governments to the Commission of the European Communities, for authorization not to apply Community treatment to bed linen, table linen, toilet and kitchen linen falling within subheading ex 62.02 B of the Common Customs Tariff (NIMEXE code 62.02-73) originating in the People's Republic of China and in free circulation in the other Member States;

Whereas in the Benelux countries the importation of the products in question originating in the People's Republic of China is prohibited;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [1], and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:
