(78/946/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 25 October 1978 by the Irish Government to the Commission of the European Communities, for authorization not to apply Community treatment to men's and boys' woven breeches, shorts and trousers (including slacks); women's, girls' and infants' woven trousers and slacks, of wool, of cotton or of man-made textile fibres, falling within heading No ex 61.01 or subheading ex 61.02 B of the Common Customs Tariff (NIMEXE codes 61.01-62, 64, 66, 72, 74, 76; 61.02-66, 68, 72), originating in Singapore and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Singapore is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement Singapore has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in productions and employment;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:
