COMMISSION DECISION

of 14 March 1979

authorizing the French Republic not to apply Community treatment to receivers, whether or not incorporating sound recorders or reproducers, falling within subheading 85.15 A III of the Common Customs Tariff, originating in Taiwan and in free circulation in the other Member States

(79/326/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 7 March 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to receivers, whether or not incorporating sound recorders or reproducers, falling within subheading 85.15 A III of the Common Customs Tariff, originating in Taiwan and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in Taiwan is subject to a quantitative restriction ;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas further indirect imports, in addition to those already made would be likely to jeopardize the efficiency of the commercial measures concerned ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in Taiwan and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 22 February 1979 :

CCT heading No	Description
85.15 A III	Receivers, whether or not incorporating sound recorders or reproducers

Article 2

This Decision shall apply until the opportunity arises in France for the importation of these products from Taiwan or until 30 September 1979, whichever is the earlier.

Article 3

This Decision is addressed to the French Republic.

Done at Brussels, 14 March 1979.
