(Only the English text is authentic)

(79/433/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed [1], and in particular Article 5 thereof,

Whereas, on 24 February 1978, the Irish Government, acting pursuant to Article 4 of Regulation (EEC) No 355/77, provided a programme for the beef sector and related industries ; whereas additional information was supplied on 5 October 1978 ;

Whereas the abovementioned programme for the beef and veal sector and related industries concerns the modernization, equipping and extension of slaughterhouses and processing plants in the beef sector in Ireland ; whereas it therefore constitutes a programme within the meaning of Article 2 of Regulation (EEC) No 355/77 ;

Whereas the programme contains in sufficient detail all the information required by Article 3 of Regulation (EEC) No 355/77, showing that the objectives listed in Article 1 of that Regulation may be achieved for the beef sector in Ireland ; whereas the estimated time required for the execution of the programme does not exceed the time laid down in Article 3 (1) (g) of that Regulation ;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Structure,

HAS ADOPTED THIS DECISION :

Article 1

The programme for the beef sector and related industries forwarded by the Irish Government on 24 February 1978 is hereby approved.
