of 29 May 1979

(Only the German text is authentic)

(79/536/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed [1], and in particular Article 5 thereof,

Whereas, on 27 June 1978 the Government of the Federal Republic of Germany, pursuant to Article 4 of Regulation (EEC) No 355/77, forwarded the programme for promoting or rationalizing the processing and marketing of live plants from tree-nurseries in Schleswig-Holstein, supplementary information to which it submitted on 10 October 1978 ;

Whereas the abovementioned programme concerns the modernization and rationalization of storage and preparation facilities for tree-nursery products in Schleswig-Holstein in order to bring the quantity, quality and form of supply of these products into line with market requirements ; whereas it is therefore a programme within the meaning of Article 2 of Regulation (EEC) No 355/77 ;

Whereas the programme includes in a still valid form the details listed in Article 3 of Regulation (EEC) No 355/77, showing that the objectives laid down in Article 1 of that Regulation can be attained for tree-nurseries in Schleswig-Holstein ; whereas the time required for executing the programme does not exceed that laid down in Article 3 (1) (g) of that Regulation ;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Structure,

HAS ADOPTED THIS DECISION :
