COMMISSION DECISION

of 4 May 1979

supplementing, by the addition of Chile, the list of third countries from which Member States authorize imports of bovine animals, swine and fresh meat

(79/560/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 72/462/EEC of 12 December 1972 on health and veterinary inspection problems upon importation of bovine animals and swine and fresh meat from third countries (1), as last amended by Directive 77/98/EEC (2) and in particular Article 3 thereof,

Whereas in order to decide in respect both of these animals and of fresh meat whether a country or part of a country may be included in the list, particular account is taken of the criteria set out in Article 3 (2) of Directive 72/462/EEC;

Whereas Chile may be considered to satisfy these criteria for fresh meat of bovine animals, sheep, goats and domestic solipeds; whereas it is necessary to supplement, by the addition of Chile and as regards the abovementioned categories of fresh meat, the list referred to in Article 3 (1) of Directive 72/462/EEC adopted by the Council and contained in the Annex to its Decision of 21 December 1976 drawing up a list of third countries from which the Member States authorize imports of bovine animals, swine and fresh meat;

Whereas it will be necessary to specify the regions of Chile from which such imports may be authorized; whereas other measures concerning animal health inspection remain to be taken;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1
