of 30 May 1979

authorizing the United Kingdom not to apply Community treatment to women's, girls' and infants' woven overcoats, raincoats and other coats, cloaks and capes, jackets and blazers, other than garments of category 15 A, of wool, of cotton or of man-made textile fibres, falling within subheading ex 61.02 B of the Common Customs Tariff (NIMEXE codes 61.02-31, 32, 33, 35, 36, 37, 39, 40) (category 15 B), originating in Czechoslovakia and in free circulation in the other Member States

(79/594/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 May 1979 by the British Government to the Commission of the European Communities, for authorization not to apply Community treatment to women's, girls' and infants' woven overcoats, raincoats and other coats, cloaks and capes, jackets and blazers, other than garments of category 15 A, of wool, of cotton or of man-made textile fibres falling within subheading ex 61.02 B of the Common Customs Tariff (NIMEXE codes 61.02-31, 32, 33, 35, 36, 37, 39, 40) (category 15 B), originating in Czechoslovakia and in free circulation in the other Member States,

Whereas in the United Kingdom the importation of the products in question originating in Czechoslovakia is, in accordance with Council Decision 79/252/EEC of 21 December 1978 [1], subject to an annual quota, which has almost wholly taken up;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned involving a considerable drop in production and employment;

Whereas, although the imports which gave rise to the application submitted would appear to be an isolated operation, they are nevertheless likely, in view of the substantial volume of the imports, to aggravate these difficulties and to jeopardize the efficiency of the commercial measures concerned;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [2], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:
