of 17 July 1979

authorizing the United Kingdom not to apply Community treatment to receivers for monochrome portable televisions falling within subheading 85.15 A ex III of the Common Customs Tariff, originating in Taiwan and in free circulation in the other Member States

(79/676/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 2 July 1979 by the United Kingdom Government to the Commission of the European Communities, for authorization not to apply Community treatment to receivers for monochrome portable televisions falling within subheading 85.15 A ex III of the Common Customs Tariff, originating in Taiwan and in free circulation in the other Member States,

Whereas the importation into the United Kingdom of the products in question originating in Taiwan is subject to an annual quota which is already wholly taken up ;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas these economic difficulties are caused largely by unequal conditions of competition, which allow exports to be made at prices appreciably lower than those of the Community products in question ;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [1], and in particular Article 1 thereof ;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION :

Article 1

Article 2

This Decision is addressed to the United Kingdom.
