COMMISSION DECISION

of 19 October 1979

authorizing the French Republic not to apply Community treatment to gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, impregnated or coated with artificial plastic materials, falling within heading No 60.02 of the Common Customs Tariff (NIMEXE code 60.02-40) (category 10), originating in Taiwan and in free circulation in the other Member States

(79/927/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 12 October 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, impregnated or coated with artificial plastic materials, falling within heading No 60.02 of the Common Customs Tariff (NIMEXE code 60.02-40) (category 10), originating in Taiwan and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Taiwan is subject to a Community quantitative quota allocated among the Member States by Commission Regulation (EEC) No 3020/77 of 30 December 1977 [1], confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978 [2];

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [3], and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:
