of 17 November 1980

authorizing the Kingdom of Belgium and the Grand Duchy of Luxembourg not to apply Community treatment to fresh table grapes originating in Spain

(Only the Dutch and French texts are authentic)

(80/1197/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 80/47/EEC of 20 December 1979 on surveillance and protective measures which Member States may be authorized to take in respect of imports of certain products originating in third countries and put into free circulation in another Member States [1], and in particular Article 3 thereof,

Whereas on 4 November 1980 a request was made under the first paragraph of Article 115 of the Treaty by the BLEU countries to the Commission of the European Communities for authorization not to apply Community treatment to fresh table grapes, falling within subheading 08.04 A I of the Common Customs Tariff, originating in Spain and in free circulation in the other Member States ;

Whereas in the BLEU countries the importation of the products in question originating in Spain is subject to a quantitative restriction for the period 1 July to 31 December of each year because of the particular situation of the production concerned ;

Whereas for this reason disparities still exist between the conditions governing the importation of the products in question into the different Member States ;

Whereas these disparities have resulted in deflections of trade ;

Whereas the import prices of the products in question originating in Spain are approximately Bfr 10 per kilogram ;

Whereas further indirect imports, in addition to those already admitted or planned, would be likely to jeopardize the aims of the abovementined commercial policy measures ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Decision 80/47/EEC, and in particular Article 3 thereof ;

Whereas applications for import documents covering 200 tonnes are duly pending with the authorities of the Member State having made the request ; whereas these applications do not need to be covered by such authorization,

HAS ADOPTED THIS DECISION :

Article 1

CCT heading No	Description
