COUNCIL

COUNCIL DECISION

of 5 February 1980

authorizing the extension or tacit renewal of certain Trade Agreements concluded between Member States and third countries

(80/159/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Decision 69/494/EEC of 16 December 1969 on the progressive standardization of Agreements concerning commercial relations between Member States and third countries and on the negotiation of Community Agreements (1), and in particular Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas extension or tacit renewal beyond the end of the transitional period has already been authorized several times by the Council in the case of the Agreements listed in the Annex and most recently by its Decision 79/171/EEC (2);

Whereas the Member States concerned have again, with a view to avoiding interruption in their commercial relations, based on Agreements with the third countries concerned, requested authorization to extend or renew these Agreements;

Whereas authorization is required only for the maintenance of these relations, based on Agreements, pending their replacement by Community Agreements; whereas such authorization should not, therefore, in any way adversely affect the obligation on Member States to avoid and, where appropriate, eliminate any incompatibility between such Agreements and the Agreements and the provisions of Community law;

Whereas, furthermore, the provisions of the Agreements to be extended or renewed should not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas the Member States concerned have stated that the extension or tacit renewal of those Agreements would not be likely to prevent either the opening of Community negotiations with the third countries concerned or the transfer of the commercial fabric of such Agreements to Community Agreements, nor would it, during the period envisaged, hinder the adoption of the measures necessary to complete the standardization of the import systems of the Member States;

Whereas, at the conclusion of the consultations provided for in Article 2 of Decision 69/494/EEC it was established, as the aforesaid declarations by the Member States confirm, that the provisions of the Agreements to be extended or tacitly renewed would not, during the period envisaged, constitute an obstacle to the implementation of the common commercial policy;

Whereas, in these circumstances, the Agreements may be either extended or tacitly renewed for a limited period,

(1) OJ No L 326, 29. 12. 1969, p. 39.
(2) OJ No L 37, 13. 2. 1979, p. 31.

HAS ADOPTED THIS DECISION :

2. Article 2

This Decision is addressed to the Member States.
