(80/18/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 November 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to synthetic textile fibres : Woven fabrics of synthetic fibres (discontinuous or waste) other than narrow woven fabrics, pile fabrics (including terry fabrics) and chenille fabrics, falling within subheading 56.07 A of the Common Customs Tariff (NIMEXE codes 56.07-01, 04, 05, 07, 08, 11, 13, 14, 16, 17, 18, 21, 23, 24, 26, 27, 28, 32, 33, 34, 36) (category 3), originating in Taiwan and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question, originating in Taiwan, is subject to a Community quantitative quota allocated among the Member States by Commission Regulation (EEC) No 3020/77 of 30 December 1977 [1], confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978 [2] ;

Whereas it was not possible on that occasion to allocate these quotas on the basis of the needs of the individual markets ; whereas there are therefore disparities existing between the import conditions in the various Member States ; whereas uniformity can only be achieved progressively ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment and a progressive decline in its market share ;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [3], and in particular Article 1 thereof ;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION :
