COMMISSION DECISION

of 25 March 1980

(80/419/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 17 March 1980 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, falling within heading No ex 60.02 of the Common Customs Tariff (category 10), originating in Taiwan and in free circulation in the other Member States;

Whereas the importation into the Community of the products in question originating in Taiwan is subject to a Community quantitative quota allocated among the Member States by Commission Regulation (EEC) No 3020/77 of 30 December 1977 (1), confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978 (2);

Whereas it was not possible on that occasion to allocate these quotas on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas, the realization of all the imports which gave rise to the application submitted would, in view of the substantial volume involved, aggravate these difficulties and call into question the objectives sought by the commerical measures concerned;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 (3), and in particular Article 1 thereof;

Whereas, however, the application for all the licences which gave rise to the application in question does not need to be covered by such an authorization,

HAS ADOPTED THIS DECISION:

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in Taiwan and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 6 March 1980. In any case this authorization does not cover a quantity representing 50 000 pairs. Such a quantity shall be allocated between the above-mentioned applicants for which the applications for import licences are on the date of this decision pending with the French authorities.
