COMMISSION DECISION

of 29 April 1980

authorizing the French Republic not to apply Community treatment to woven overcoats, raincoats and other coats, cloaks and capes, jackets and blazers, falling within subheading ex 61.02 B II of the Common Customs Tariff (category 15 B), originating in Albania and in free circulation in the other Member States

(80/508/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 21 April 1980 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to woven overcoats, raincoats and other coats, cloaks and capes, jackets and blazers, falling within subheading ex 61.02 B II of the Common Customs Tariff (category 15 B), originating in Albania and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in Albania is, in accordance with Council Decision 80/158/EEC of 20 December 1979 [1], subject to an annual quota ;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979 [2], and in particular Article 3 thereof ;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization,

HAS ADOPTED THIS DECISION :
