authorizing the Kingdom of Denmark not to apply Community treatment to parkas, anoraks, windcheaters, waister jackets and the like, woven, falling within subheadings ex 61.01 B IV and ex 61.02 B II of the Common Customs Tariff (category 21), originating in Thailand and in free circulation in the other Member States

(80/517/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 29 April 1980 by the Danish Government to the Commission of the European Communities, for authorization not to apply Community treatment to parkas, anoraks, windcheaters, waister jackets and the like, woven, falling within subheadings ex 61.01 B IV and ex 61.02 B II of the Common Customs Tariff (category 21), originating in Thailand and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Thailand is covered by an Agreement negotiated between the Community and that country ;

Whereas, under that Agreement, Thailand has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States ;

Whereas it was not possible on that occasion to allocate those ceilings on the basis of the needs of the individual markets ; whereas there are therefore disparities existing between the import conditions in the various Member States ; whereas uniformity can only be achieved progressively ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas, although the realization of all the imports which gave rise to the application submitted would, in view of the substantial volume involved, aggravate these difficulties and call into question the objectives sought by the commercial measures concerned ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979 [1], and in particular Article 3 thereof ;

Whereas, however, the application for all the import licences which gave rise to the application in question does not need to be covered by such an authorization,

HAS ADOPTED THIS DECISION :

Article 1

The Kingdom of Denmark is authorized not to apply Community treatment to the products indicated below, where they originate in Thailand and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 21 April 1980. In any case this authorization does not cover a quantity representing 50 000 pieces. Such a quantity shall be allocated between the abovementioned applicants for which the applications for import licences are on the date of this Decision pending with the Danish authorities :
