of 20 June 1980

authorizing the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands not to apply Community treatment to woven breeches, shorts and trousers (including slacks), falling within subheadings ex 61.01 B V and ex 61.02 B II of the Common Customs Tariff (category 6), originating in the Philippines and in free circulation in the other Member States

(80/651/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 13 June 1980 by the Governments of the Benelux countries to the Commission of the European Communities, for authorization not to apply Community treatment to woven breeches, shorts and trousers (including slacks), falling within subheadings ex 61.01 B V and ex 61.02 B II of the Common Customs Tariff (category 6), originating in the Philippines and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in the Philippines is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement the Philippines has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas these economic difficulties are caused largely by unequal conditions of competition, which allow exports to be made at prices appreciably lower than those of the Community products in question;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979 [1], and in particular Article 3 thereof,

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:
