Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed [1], and in particular Article 5 thereof,

Whereas on 30 March 1979 the Government of the Netherlands notified the programme relating to the slaughtering and processing of pigs and on 5 November 1979 provided additional details ;

Whereas the purpose of the programme is the restructuring of the pig slaughter sector by the modernization and rationalization of, in particular, the slaughter, cutting, cooling and refrigeration facilities in the large slaughterhouses, in order to raise levels of utilization, lower unit costs, and thus stabilize producers' incomes ; whereas it therefore constitutes a programme within the meaning of Article 2 of Regulation (EEC) No 355/77 ;

Whereas the programme contains the details referred to in Article 3 of Regulation (EEC) No 355/77 showing that the objectives laid down in Article 1 of the said Regulation can be achieved in respect of pig production ; whereas the scheduled time for implementation of the programme does not exceed the limit laid down in Article 3 (1) (g) of the Regulation ;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Structure,
