COMMISSION DECISION

of 16 July 1980

authorizing the French Republic not to apply Community treatment to blouses and shirt-blouses, knitted or crocheted, or woven, for women, girls and infants, falling within subheadings ex 60.05 A II and ex 61.02 B II of the Common Customs Tariff (category 7), originating in India and in free circulation in the other Member States

(80/768/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 8 July 1980 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to blouses and shirt-blouses, knitted or crocheted, or woven, for women, girls and infants, falling within subheading ex 60.05 A II and ex 61.02 B II of the Common Customs Tariff (category 7), originating in India and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in India is covered by an Agreement negotiated between the Community and that country ;

Whereas, under that Agreement, India has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States ;

Whereas it was not possible on that occasion to allocate those ceilings on the basis of the needs of the individual markets ; whereas there are therefore disparities existing between the import conditions in the various Member States ; whereas uniformity can only be achieved progressively ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas the realization of all the imports which gave rise to the application submitted is nevertheless likely, in view of the substantial volume involved, to aggravate these difficulties and call into question the objectives sought by the commercial measures concerned ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979 [1], and in particular Article 3 thereof ;

Whereas, however, the application for all licences which gave rise to the application in question does not need to be covered by such an authorization,
