(80/8/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 November 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to men's and boys' garments, including collars, shirt fronts and cuffs ; men's and boys' shirts, woven, of wool, of cotton or of man-made textile fibres, falling within heading No ex 61.03 of the Common Customs Tariff (NIMEXE codes 61.03-11, 15, 19) (category 8), originating in the People's Republic of China and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in the People's Republic of China is subject to a quantitative restriction ;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned ;

Whereas there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 [1], and in particular Article 1 thereof ;

Whereas, however, the application for licences which gave rise to the application in question does not need to be covered to its entire amount by such an authorization,

HAS ADOPTED THIS DECISION :

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in the People's Republic of China and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 13 November 1979. However, the authorization does not cover an amount of 50 000 pieces which shall be distributed among the applicants for the abovementioned licences :
