(Only the Dutch and French texts are authentic)

(80/808/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 75/268/EEC of 28 April 1975 on mountain and hill farming and farming in certain less-favoured areas (1), as last amended by Directive 76/400/EEC (2), and in particular Article 13 thereof,

Having regard to Council Directive 72/159/EEC of 17 April 1972 on the modernization of farms (3), as last amended by Directive 80/370/EEC (4), and in particular Article 21 (3) thereof,

Whereas the measures taken by the Kingdom of Belgium to implement Directive 75/268/EEC were the subject of a favourable Commission Decision pursuant to Article 13 of the said Directive and to Article 18 of Directive 72/159/EEC;

Whereas Commission Decision 76/627/EEC of 25 June 1976 concerning applications for reimbursement in respect of aid granted by Member States pursuant to Directive 75/268/EEC (5), as last amended by Commission Decision 80/427/EEC of 28 March 1980 (6) lays down in Article 5 (1) that the Commission, acting on the basis of the particulars contained in the application for reimbursement, shall reimburse up to the full amount requested;

Whereas the application for reimbursement lodged by the Kingdom of Belgium in respect of aids granted during 1979 for the less-favoured farming areas is complete and has been submitted in due form in accordance with Decision 76/627/EEC; whereas the total amount of declared expenditure for the year 1979 which is eligible comes to Bfrs 330 654 829, broken down as follows:

under Title II:	Bfrs 312 599 786
under Title IV:	Bfrs 18 055 043

and whereas the total amount of reimbursement requested comes to Bfrs 82 663 707;

Whereas there are no immediate objections to the application as regards either the accuracy of the particulars which it contains or compliance of the expenditure incurred with the provisions in force; whereas the Guidance Section of the European Agricultural Guidance and Guarantee Fund should therefore reimburse 25 % of the declared expenditure under Title II and 25 % of the declared expenditure under Title IV, i.e. a total of Bfrs 82 663 707 (as requested);

Whereas Decision 76/627/EEC lays down in Article 2 that applications for reimbursement concerning Title III of Directive 75/268/EEC are to be submitted along with applications for reimbursement of expenditure on Directive 72/159/EEC;

Whereas Commission Decision 76/627/EEC lays down in Article 5 (2) that where an examination of the application for reimbursement shows that the amount specified is not that which is actually due, the situation is to be regularized in accordance with the procedure laid down in the same Article of the said Decision;

Whereas the EAGGF Committee has been consulted on the financial aspects and in particular as to the funds available,

HAS ADOPTED THIS DECISION:
