of 28 July 1980

(80/897/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 22 July 1980 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to woven fabrics of synthetic fibres (discontinuous or waste), falling within heading No 56.07 A of the Common Customs Tariff (category 3), originating in Taiwan and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Taiwan is subject to a Community quantitative quota allocated among the Member States by Commission Regulation (EEC) No 3020/77 of 30 December 1977 [1], confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978 [2];

Whereas it was not possible on that occasion to allocate these quotas on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and a progressive decline in its market share;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979 [3], and in particular Article 3 thereof;

HAS ADOPTED THIS DECISION:
