of 5 February 1981

authorizing Ireland not to apply Community treatment to shirts, T-shirts, lightweight fine knit roll, polo or turtle necked jumpers and pullovers, undervests and the like, originating in Thailand

(Only the English text is authentic)

(81/105/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 80/47/EEC of 20 December 1979 on surveillance and protective measures which Member States may be authorized to take in respect of imports of certain products originating in third countries and put into free circulation in another Member State [1], and in particular Article 3 thereof,

Whereas on 27 January 1981 a request was made under the first paragraph of Article 115 of the Treaty, by the Irish Government to the Commission of the European Communities, for authorization not to apply Community treatment to shirts, T-shirts, lightweight fine knit roll, polo or turtle necked jumpers and pullovers, undervests and the like, falling within subheadings ex 60.04 B I, B II and B IV of the Common Customs Tariff (category 4), originating in Thailand and in free circulation in the other Member States;

Whereas the importation into the Community of the products in question, originating in Thailand, is covered by an Agreement negotiated between the Community and that country; whereas, under that Agreement, Thailand has undertaken to take all necessary steps to limit its exports of the products in question to the Community within certain ceilings;

Whereas, in order to implement that Agreement and take account of its characteristics, the Council adopted Regulation (EEC) No 3059/78 [2], introducing specific common rules for imports of certain textile products;

Whereas the differences in market conditions within the Community and the particular sensitivity of this branch of Community industry have been taken into account in allocating the abovementioned Community ceiling between the Member States;

Whereas, for this reason, disparities still exist between the conditions governing the importation of the products in question into the different Member States; whereas uniformity can only be brought about gradually;

Whereas, with regard to the situation of the industry concerned, the information received by the Commission indicates that total imports of the products in question, originating in third countries, have increased from 1 251 000 pieces in 1978 to 1 545 000 pieces in 1979 and amounted 1 837 000 pieces for the first 10 months of 1980; whereas the market share taken by those imports has risen from 22 % in 1978 to 28 % in 1979;

Whereas the prices of the products in question, originating in Thailand, are considerably below the prices of like products manufactured in Ireland;

Whereas output of like products in Ireland has fallen from 4 080 000 pieces in 1978 to 3 755 000 pieces in 1979;

Whereas further indirect imports, in addition to those already admitted or planned, would be likely to aggravate these difficulties and jeopardize the aims of the abovementioned commercial policy measures;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Decision 80/47/EEC, and in particular Article 3 thereof,

HAS ADOPTED THIS DECISION:
