(Only the Italian text is authentic)

(81/150/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3286/80 of 4 December 1980 on import arrangements in respect of State-trading countries [1], and in particular Article 9 (3) thereof,

Whereas Council Decision 80/1278/EEC [2] established the import quotas to be opened by the Member States in respect of State-trading countries for 1981 ;

Whereas, pursuant to Article 7 (1) of Council Regulation (EEC) No 3286/80, the Italian Government has informed the other Member States and the Commission that it would like a change to be made, in accordance with the said Regulation to the import arrangements established by the abovementioned Decision and applied in Italy, in respect of imports of non-anodized aluminium sections falling within Common Customs Tariff heading No ex 76.02 and originating in Bulgaria ;

Whereas the measure in question would not appear to be such as to hinder the future harmonization of import arrangements applied in the Member States or interfere with the operation of the common market ; whereas the said measure should therefore be adopted,

HAS ADOPTED THIS DECISION :

Article 1

The Italian Republic shall, as an exceptional measure for 1981, open a Lit 97 million quota for imports of non-anodized aluminium sections falling within Common Customs Tariff heading No ex 76.02 and originating in Bulgaria.

Article 2
