COMMISSION DECISION

of 27 March 1981

authorizing Ireland not to apply Community treatment to woven and knitted or crocheted dresses originating in the Philippines

(Only the English text is authentic)

(81/267/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 80/47/EEC of 20 December 1979 on surveillance and protective measures which Member States may be authorized to take in respect of imports of certain products originating in third countries and put into free circulation in another Member State [1] and in particular Article 3 thereof,

Whereas, on 20 March 1981, a request was made, under the first paragraph of Article 115 of the Treaty, by the Irish Government to the Commission of the European Communities for authorization not to apply Community treatment to woven and knitted or crocheted dresses falling within subheadings ex 60.05 A II and ex 61.02 B II of the CCT, category 26, originating in the Philippines and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in the Philippines is covered by an Agreement negotiated between the Community and that country; whereas, under that Agreement, the Philippines has undertaken to take all necessary steps to limit its exports of the products in question to the Community within certain ceilings;

Whereas, in order to implement that Agreement and take account of its characteristics, the Council adopted Regulation (EEC) No 3059/78 [2], introducing specific common rules for imports of certain textile products;

Whereas the differences in market conditions within the Community and the particular sensitivity of this branch of Community industry have been taken into account in allocating the abovementioned Community ceiling between the Member States;

Whereas, for this reason, disparities still exist between the conditions governing the importation of the products in question into the different Member States; whereas uniformity can only be brought about gradually;

Whereas, with regard to the situation of the industry concerned, the information received by the Commission indicates that total imports of the products in question, originating in third countries, amounted to 180 000 pieces in 1979 and to 182 000 pieces in the first eleven months of 1980;

Whereas the prices of the products in question originating in the Philippines are considerably below the prices of like products manufactured in Ireland;

Whereas output of like products in Ireland amounted to 1 824 000 pieces in 1978 and to 1 897 000 pieces in 1979; whereas the domestic industry's share of the home market has fallen from 59·4 % in 1978 to 58·2 % in 1979;

Whereas further indirect imports, in addition to those already admitted or planned, would be likely to aggravate these difficuties and jeopardize the aims of the abovementioned commercial policy measures;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should, accordingly, be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Decision 80/47/EEC, and in particular Article 3 thereof;

Whereas an application for import documents covering 4 800 pieces is duly pending with the authorities of the Member State having made the request;

Whereas this application does not need to be covered by such authorization,

HAS ADOPTED THIS DECISION:
