COMMISSION DECISION

of 24 April 1981

approving the plans for the accelerated eradication of brucellosis and tuberculosis put forward by Greece

(Only the Greek text is authentic)

(81/325/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 77/391/EEC of 17 May 1977 introducing Community measures for the eradication of brucellosis, tuberculosis and leucosis in cattle [1], and in particular Article 9 (2) thereof,

Having regard to Council Directive 81/6/EEC of 1 January 1981 authorizing the Hellenic Republic to communicate and to implement its national plans for the accelerated eradication of brucellosis and tuberculosis in cattle [2],

Whereas, by letter dated 11 February 1981, Greece communicated to the Commission plans for the accelerated eradication of brucellosis and for the accelerated eradication of tuberculosis;

Whereas after examination these plans were found to comply with Directives 79/391/EEC and 81/6/EEC; whereas, consequently, the conditions for financial participation by the Community have been met;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee; whereas the EAGGF Committee has been consulted,

HAS ADOPTED THIS DECISION:

Article 1

The plans for the accelerated eradication of brucellosis and tuberculosis put forward by Greece are hereby approved.

Article 2

Greece shall bring into force the laws, regulations and administrative provisions necessary to implement the plans referred to in Article 1 by 1 April 1981.

Article 3

This Decision is addressed to the Hellenic Republic.

Done at Brussels, 24 April 1981.

For the Commission

Poul DALSAGER

Member of the Commission
