of 10 July 1981

authorizing Ireland not to apply Community treatment to parkas, anoraks, windcheaters, waisted jackets and the like, woven, originating in Hong Kong

(81/650/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 80/47/EEC of 20 December 1979 [1] on surveillance and protective measures which Member States may be authorized to take in respect of imports of certain products originating in third countries and put into free circulation in another Member State, and in particular Article 3 thereof,

Whereas on 2 July 1981 a request was made under the first paragraph of Article 115 of the Treaty by the Irish Government to the Commission of the European Communities for authorization not to apply Community treatment to parkas, anoraks, windcheaters, waister jackets and the like, woven, falling within subheadings ex 61.01 B IV and ex 61.02 B II of the Common Customs Tariff, category 21, originating in Hong Kong and in free circulation in the other Member States ;

Whereas the importation into the Community of the products in question originating in Hong Kong is covered by an Agreement negotiated between the Community and that country ; whereas under that Agreement Hong Kong has undertaken to take all necessary steps to limit its exports of the products in question to the Community within certain ceilings ;

Whereas in order to implement that Agreement and take account of its characteristics, the Council adopted Regulation (EEC) No 3059/78 [2], as last amended by Commission Regulation (EEC) No 920/81 [3], introducing specific common rules for imports of certain textile products ;

Whereas the differences in market conditions within the Community and the particular sensitivity of this branch of Community industry have been taken into account in allocating the abovementioned Community ceiling between the Member States ;

Whereas for this reason disparities still exist between the conditions governing the importation of the products in question into the different Member States ;

Whereas uniformity can only be brought about gradually ;

Whereas these disparities in the commercial policy measures applied by the Member States have resulted in deflections of trade, in that since 1 January 1981 Ireland has admitted the products in question in free circulation originating in the said third country which amount approximately to 58 % of the direct quota ;

Whereas with regard to the situation of the industry concerned, the information received by the Commission indicates that total imports of the products in question originating in third countries have increased from 60 000 pieces in 1979 to 121 000 pieces in 1980 ;

Whereas the prices of the products in question originating in Hong Kong are considerably below the prices of like products manufactured in Ireland ;

Whereas output of like products in Ireland has fallen from 398 000 pieces in 1978 to 342 000 pieces in 1979 and to 305 000 pieces in 1980 ; whereas the information received by the Commission indicates that the domestic industry's share of the home market has fallen from 37 % in 1978 to 20 % in 1980 ;

Whereas there have been redundancies and short-time working has increased considerably ;

Whereas further indirect imports, in addition to those already admitted or planned, would be likely to aggravate these difficulties and jeopardize the aims of the abovementioned commercial policy measures ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

(2) OJ No L 365, 27. 12. 1978, p. 1.
(3) OJ No L 98, 9. 4. 1981, p. 1.

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Decision 80/47/EEC, and in particular Article 3 thereof;

Whereas an application for import documents covering 2 000 pieces is duly pending with the authorities of the Member State having made the request, this application does not need to be covered by such authorization,

HAS ADOPTED THIS DECISION:
