COMMISSION DECISION

of 2 July 1981

authorizing the French Republic not to apply Community treatment to men's and boys' shirts, woven, originating in Romania

(Only the French text is authentic)

(81/864/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 80/47/EEC of 20 December 1979 on surveillance and protective measures which Member States may be authorized to take in respect of imports of certain products originating in third countries and put into free circulation in another Member State [1], and in particular Article 3 thereof,

Whereas on 26 June 1981 a request was made under the first paragraph of Article 115 of the Treaty by the French Government to the Commission of the European Communities for authorization not to apply Community treatment to men's and boys' shirts, woven, falling within subheading 61.03 A of the Common Customs Tariff (category 8), originating in Romania and in free circulation in the other Member States ;

Whereas the importation into the Community of the products in question originating in Romania is covered by an Agreement negotiated between the Community and that country ; whereas under that Agreement Romania has undertaken to take all necessary steps to limit its exports of the products in question to the Community within certain ceilings ;

Whereas, in order to implement that Agreement and take account of its characteristics, the Council adopted Regulation (EEC) No 3059/78 [2], as last amended by Commission Regulation (EEC) No 920/81 [3], introducing specific common rules for imports of certain textile products ;

Whereas the differences in market conditions within the Community and the particular sensitivity of this branch of Community industry have been taken into account in allocating the abovementioned Community ceiling between the Member States ;

Whereas, for this reason, disparities still exist between the conditions governing the importation of the products in question into the different Member States ; whereas uniformity can only be brought about gradually ;

Whereas these disparities in the commercial policy measures applied by the Member States have resulted in deflections of trade, in that since 1 January 1981 France has admitted the products in question in free circulation, originating in the said third country, which amount approximately to 9·5 % of the direct quota ;

Whereas, with regard to the situation of the industry concerned, the information received by the Commission indicates that total imports of the products in question originating in third countries have increased from 15 891 000 pieces in 1978 to 19 383 000 pieces in 1979 and to 20 585 000 pieces in 1980 ; whereas the market share taken by those imports has risen from 32·5 % in 1978 to 39 % in 1979 ;

Whereas the prices of the products in question originating in Romania are considerably below the prices of like products manufactured in France ;

Whereas output of like products in France has fallen from 34 264 000 pieces in 1978 to 31 297 000 pieces in 1979 ; whereas the domestic industry's share of the home market has fallen from 62 % in 1978 to 55 % in 1979 ;

[2] OJ No L 365, 27. 12. 1978, p. 1.
[3] OJ No L 98, 9. 4. 1981, p. 1.

Whereas an application for import documents covering an amount equal to approximately 17·5 % of the direct quota is duly pending with the authorities of the Member States having made the request;

Whereas the totality of further indirect imports would be likely to aggravate these difficulties in the industrial sector concerned and jeopardize the aims of the abovementioned commercial policy measures;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Decision 80/47/EEC, and in particular Article 3 thereof,

HAS ADOPTED THIS DECISION:
