COMMISSION DECISION

of 27 November 1981

on the transport of maize meal to the United Nations High Commissioner for Refugees as food aid

(Only the French text is authentic)

(81/998/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals [1], as last amended by Regulation (EEC) No 1949/81 [2], and in particular Article 28 thereof,

Having regard to Council Regulation (EEC) No 2750/75 of 29 October 1975 laying down the conditions for the mobilization of cereals as food aid [3], and in particular Article 6 thereof,

Having regard to Council Regulation (EEC) No 696/76 of 25 March 1976 derogating from Regulation (EEC) No 2750/75 in respect of mobilization procedures for cereals to be supplied as food aid [4],

Whereas, by means of Regulation (EEC) No 3282/81 [5], the Commission has opened an invitation to tender for the supply cif to the port of Douala of 2 080 tonnes of maize meal destined for the United Nations High Commissioner for Refugees as food aid;

Whereas these goods must be transported from the port of Douala to their final destination of N'Djamena;

Whereas, in order to satisfy the particular requirements of the measure in question and to take account of local transport conditions, use should be made of a quicker and more flexible procedure than the invitation to tender; whereas, therefore, the intervention agency responsible for the tendering procedure for the supply cif should be allowed to conclude, for delivery to the final stage, contracts relating to all or part of the transport to be carried out;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS DECISION:
